

# UNICEF Club Cookie sale

## 1. Fundraising Method

Members of Home Economics Club and UNICEF Club co-organized the cookie sale fundraising activity. They made stained glass cookies together and sold the handmade cookies in lunchtime and after school to all students and staffs. All of the donations will be dedicated to UNICEF to support children’s life, survival & development.

## 2. About ‘UNICEF’s Programmes Worldwide’

UNICEF’s programmes cover over 190 countries and territories, working towards outcomes in areas including health, HIV & AIDS, nutrition, water, sanitation and hygiene, education, child protection and social inclusion for every child.
